

John Lindquist

Richland WA 99352 | (509) 531-2850 | Engineerboy002@gmail.com

Education

August 2017- Present Class of 2021

Delta High School Pasco WA.

My GPA is 3.57 and I have received attendance and grade awards. Some of the special classes I have taken are: Microsoft Office, Computer Science, and Pre-Engineering, graphic design. I Have experience with AutoCAD and SolidWorks.

Volunteer Experience

Eagle Scout Projects

I renovated the Tri City Steel Band Association's "TCSBA" steel drum hard meatal cases that they use to transport the drums from gig to gig 8/1/19 - 8/11/19. For other eagle scout projects, I have helped to regravel trails in Richland. One was a hiking trail and the other was the sides of a paved walk way.

Bikes for Tikes Kennewick, WA Fall 2018

I built, stickered, and helmeted bikes. I helped sort tables and load bikes into trucks. In total I was there for 7 hours.
